GRADUATION PILOT

Speech New Zealand are so proud of our diploma students and we want to find a way to acknowledge their commitment and success! In 2023 we will be hosting two graduation ceremony options:

Option 1: Online Graduation

Twice a year (**28th June & 29th Nov**) we will hold an online graduation for candidates to participate, people from across the globe can join via zoom to celebrate. We will look for a keynote speaker to attend and record the event to share within marketing platforms.

Option 2: Regional Graduation

Teachers from the region will be given a small financial contribution to support the cost of a regional graduation organised by them. We will supply invitation templates and request photographs / video be taken to share on marketing platforms by Speech NZ.

Further details and how to select the option that best suits your students will follow in 2023.
